Application**

Vetro Power AERO Gum & Adhesive Remover is a specialised, high-performance formulation engineered for aviation, transport, and commercial cleaning professionals. It quickly dissolves chewing gum, sticker residues, and adhesives without damaging painted, plastic, metal, or fabric surfaces. Designed to simplify maintenance and reduce downtime.

FORMULATED FOR AIRCRAFT INTERIORS

KEY BENEFITS:

- Rapid gum & adhesive removal
- Highly efficient for quick turnaround cleaning
- Leaves no sticky residue after application
- Safe for most aviation-grade materials

WHERE TO USE:

- ☒ Carpets & Upholstery
- ☒ Vinyl & Plastic Surfaces
- ☒ Hard Surfaces & Flooring

DIRECTIONS FOR USE:

1 Apply the product to the affected area.

2 Push the gum to the centre.

3 Lift off the material carefully.

For stubborn residues, reapply and allow longer contact time before wiping.
