

## **VETRO POWER AERO GUM & ADHESIVE REMOVER**

### **PRODUCT DESCRIPTION**

VETRO POWER AERO GUM & ADHESIVE REMOVER is a solvent-based adhesive remover containing pure d-limonene. It effectively dissolves adhesives, gums, and sticky residues from various surfaces without damaging the underlying material.

#### **PHYSICAL & CHEMICAL PROPERTIES**

Property	Specification
Appearance:	Colorless to pale yellow liquid
Odor	Citrus-like
Chemical Nature	Organic compound (d-limonene)
Molecular Formula	C <sub>10</sub> H <sub>16</sub>
Flash Point	~47°C (117°F)
Specific Gravity	~0.84
Solubility	Slightly soluble in water, miscible with most organic solvents
Boiling Point	176 °C
Vapor Pressure	200 Pa at 25°C
рН	Neutral (~6–7)

## PERFORMANCE / APPLICATIONS

- Removes adhesives, chewing gum, and sticky
- Cleans surfaces prior to painting or coating.
- Removes labels, glue, and tar from glass, metals, and plastics.
- Suitable for industrial, laboratory, and house hold use.

#### **HANDLING & SAFETY**

- Flammability: Combustible liquid (H226)
- Health Hazards: Causes skin and eye irritation (H315, H319); may cause allergic skin reaction (H317)
- Precautions: Use with adequate ventilation; avoid inhalation and prolonged skin contact; keep away from heat, sparks, and open flame.
- Personal Protection: Wear gloves, safety glasses, and protective clothing.

#### **HANDLING & SAFETY**

- Store in a cool, dry, well-ventilated area away from oxidizing agents.
- Keep containers tightly closed when not in use.
- Avoid storing above 33°C as mentioned in your MSDS notes.

Warning Advice: We recommend wearing suitable protective clothing. In case of contact with skin, immediately rinse off with water. Do not swallow. Avoid contact with eyes. In case of contact with the eye or mucosa, immediately rinse off with water. In the event of symptoms occurring, seek medical treatment. Keep out of reach of children!

General advice: Do not inhale atomised spray and the liquid product.

Zyax Chem PVT LTD is not liable for damages to the product, as a result of dirt entering the bottles and canisters, e.g. after opening the containers. Zyax Chem PVT LTD is also not liable for improper application of the product if the surfaces have been recoated for any reasons, without Zyax Chem PVT LTD's prior written agreement, nor for any damage to or deterioration of the coating system arising from causes beyond the control of Zyax Chem PVT LTD, including but not limited to impact, abrasion, mechanical damage, neglect, malicious damage, fire damage, pollution and abnormal weather conditions, neither for failure associated with exposure of the coatings to abrasive, chemical substances, abrasive scouring, hydrofluoric acid and highly alkaline chemicals such as bleach, potassium hydroxide and sodium hydroxide and/or if the coated surfaces have not been maintained in accordance with the supplier's recommended maintenance procedures. All information is based on today's state-of-the-art technology. As to the above-mentioned information, we do not lay a claim to completeness, these are only to be understood as possible examples for application areas. Due to a large number of surfaces and object conditions, the buyer/user is not relieved of the duty to professionally verify, in his own responsibility, that our materials are suitable for the intended purpose according to the respective object conditions. In all other respects, our general conditions of sale apply. If the new product information is issued the validity of the old version expires

# **Vetro Power Nano-Dynamis Anti-Corrosion Protection**

## **REGULATORY / CLASSIFICATION**

 GHS Classification: Flammable liquid, Category 3 (H226) Skin irritation, Category 2 (H315) Skin sensitization, Category 1 (H317) Eye irritation, Category 2 (H319)

• Environmental Hazard: Toxic to aquatic life with long lasting effects (H411)

#### **NOTES**

- Product is based on pure d-limonene, a natural citrus terpene, and is biodegradable.
- · Can be used in industrial, laboratory, and household cleaning applications.
- Avoid ingestion; in case of contact with skin or eyes, rinse immediately with plenty of water.

Warning Advice: We recommend wearing suitable protective clothing. In case of contact with skin, immediately rinse off with water. Do not swallow. Avoid contact with eyes. In case of contact with the eye or mucosa, immediately rinse off with water. In the event of symptoms occurring, seek medical treatment. Keep out of reach of children!

General advice: Do not inhale atomised spray and the liquid product.
